

Code of Ethics

In order to aid in the delivery of services and care consistent with the values of Legacy Behavioral Health Center, Inc., the following set of ethical principles have been adopted:

1. All recipients in the care of Legacy are ensured of confidentiality by all staff including volunteers and interns.
2. All recipients will be treated with respect and dignity. No staff will engage in any type of relationship with a recipient that is outside of the professional services rendered by the Center.
3. All recipients will be served regardless of their race, ethnic origin, gender, sexual orientation, religion, national origin or physical ability.
4. All recipients have the freedom of choice and will be informed of any circumstances which limit or restrict their freedom.
