Our Mission

Legacy Behavioral Health Center is dedicated to improving the quality of life and well-being of multigenerational individuals and their families by offering culturally sensitive healthcare, recovery and supportive services that promote and enhance emotional, social and personal growth

Our Vision

Legacy Behavioral Health Center envisions cementing a bond between generations through a multicultural system of care that fosters healthy emotional, intellectual, social and personal growth in a nurturing and culturally sensitive environment that is responsive to the individual's needs and recovery while receptive to their unique culture, preferences and values

Our Core Values

- We strive for a value-driven center of excellence
- We encourage honesty and integrity
- We foster care and compassion
- We motivate mutual respect and teamwork

Legacy is an equal-opportunity employer.

We do not discriminate based on race, color, national origin, disability, political belief, age, religion or sexual orientation.

Our Services Include

Admissions

- Screening for Behavioral/Mental Health
- Level of Functioning Evaluation
- Assess the Level of Care
- Triage to Services needed
- Assess Cultural and Linguistic needs

Psychology

- Psychological Evaluations & Testing
- Educational Evaluations
- IQ Testing
